

Anne Sumangil

Her background includes a lifetime of dance including being captain of the award-winning College of St. Benedict Dance Team and a member of the Minnesota Vikings Cheerleaders. She has taught Zumba throughout the Twin Cities and Greater Minnesota; some of my favorite memories include teaching at the College of St. Benedict Reunion, for the Minnesota Vikings Cheerleaders and Alumni and for local high school dance teams. She also performs and competes with an adult hip hop class at the Dance Factory.

In addition to her love of dance and Zumba, she has a degree in Management from the College of St. Benedict and a Master's degree in Human Resource

Development from the University of Minnesota. She was also Miss Crystal, MN and a Minneapolis Aquatennial Princess. She continues to be involved in her community and alma maters. She works full-time as a director at a college with aspirations of owning a dance studio someday.
